

SHAREABLE

Week 3

Give students the opportunity to share their faith story with the group. If that takes up all of your group time that is okay.

What's the last video you shared with someone, or someone shared with you?

Why do you share things with other people? What kind of things do you usually share with your friends?

Read 1 Corinthians 11:1

Who are people in your life that you try to imitate? Why should we imitate Christ?

If someone imitated you, would they be acting like Jesus?

Challenge: This week, take a look at what you're sharing through your actions and words. How can you use your actions to point others to Jesus this week?
