

Week 4

Tell us about a time you had high expectations for something and wound up disappointed.

What is something you've heard someone else hype up about the Bible?

In what ways has the Bible met those expectations? And in what ways have you been disappointed by it?

Read Psalm 119:105

The Psalmist describes the Bible as a "light." What does that mean to you?

How can the Bible illuminate dark or unclear parts of your life?

Who is one person in your life you can turn to for help discovering God's wisdom in Scripture?
